What is the Sports Premium?

The Government is providing funding for primary school PE and sport. In 2022/2023 this is £16,000 per school plus £10 per pupil. The PE and sport premium funding can only be spent on this provision in schools.

Purpose of funding

Schools must spend the sport funding on improving their provision of PE and sport to:

- Develop or add to the PE and sports activities that the school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in later years

How will we be spending the Sports Funding and who will benefit?

- All children will benefit regardless of sporting ability and all children will be engaged in regular physical activity (30 minutes per day in school)
- The profile of sport and healthy lifestyles will be increased for all.
- A broad range of sports will be offered to all children.
- All children will be given the opportunity to compete and participate in PE beyond the school day.
- Staff will have access to training opportunities and continued professional development.

Key achievements to date:

- Our school offers a range of before and after school clubs, accessed by all children.
- Employed specialist sports coaches who provide weekly lessons KS2 children. Not only do the children benefit from being taught by coaches but our own staff are also able to develop their skills through sharing good practice and assisting in the PE lessons.
- Enabled non swimmers to swim more regularly so that all children leaving KS2 leave with a good standard of swimming (see below).
- Subject Leadership of P.E supported by Stride Active.
- 'Sports Leaders' in Years 5 and 6.

How will we check its impact each year?

- The Strategic Task Group (STG) will be monitoring the impact of funding of our school self-evaluation cycle
- Independent evaluation of our plans will be undertaken by our school improvement partner.

Overview of Spending 2023-2024	<p>School PE and sport development priorities based on our school context and identified pupil need:</p> <ul style="list-style-type: none"> • To increase the engagement of all pupils in regular physical activity (including identified disadvantaged pupils). • To increase the opportunities that children have to link mental and physical well being • To increase confidence, knowledge and skills of all staff in teaching PE and sport, through careful planning • To directly link our PE teaching and learning to the whole curriculum • To increase participation in competitive sport
Quality Assurance	<ul style="list-style-type: none"> • Regular update meetings between PE subject leader and Headteacher. • Feedback from staff on effectiveness and impact of provision. • Link with Stride Active & Activate • STG reporting • Consultation with pupils and parents.

Swimming data Y6 2023-24

Meeting national curriculum requirements for swimming and water safety	
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	80%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	80%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	80%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming, but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Intensive swimming undertaken for children in Y3,4,5 and 6 during 23-24
