Shine bright your light (Matthew 5: 14-15)

Children's safety is our highest priority, both on and off the premises. Every attempt is made, through the implementation of our outings procedure and our exit/entrance procedure and the supervision of children ensures the security of children is maintained at all times. In the unlikely event of a child going missing, our missing child procedure is followed.

Procedures

Child going missing on an outing

This describes what to do when our staff, have taken the children off site for an outing.

- As soon as it is noticed that a child is missing, the staff members on the outing ask children to stand with their parents or designated carer and carry out a headcount to ensure that no other child is missing
- One staff member searches the immediate vicinity, but does not search beyond that
- Site / centre management at location of outing informed
- The Nursery Supervisor/Teacher contacts the police and reports that child as missing
- SLT at STC is contacted immediately and the incident is recorded.
- Parents/ carers are informed (if they are not on site/visit)
- Our staff take the remaining children back to the setting as soon as possible
- According to the advice of the police, a senior member of staff, should remain at the site where the child went missing and wait for the police to arrive.
- A recent photo and a description of what the child is wearing is given to the police
- SLT contacts DHMAT and reports the incident.
- DHMAT comes to school immediately to carry out an investigation.
- Our staff keep calm and do not let the other children become anxious or worried.

The investigation

- Ofsted are informed as soon as possible and kept up-to-date with the investigation.
- DHMAT carries out a full investigation, taking written statements from all our staff and volunteers who were present.
- SLT, together with the nursery supervisor speaks with the parent(s) and explains the process of the investigation.
- The parent(s) may also raise a complaint with us or Ofsted.
- Each member of staff present writes an incident report detailing: -
- The date and time of the incident
