SHINE BRIGHT YOUR LIGHT

Exploring Our Vision

 Our vision is that we enable every child to 'shine bright their light.' This is a key message from Matthew 5:14-16. It combines the message of, 'You are the light of the world' and 'let your light shine.' We are clear about our mission -lighting up lives so that they may share the light.

Jesus calls us to be like a candle held in God's hands, bringing light to His world. Love represents the flame, unity is represented by the wick and perseverance the wax which together provide the light to follow our vision.

PRAYER
Dear God,
Thank You for our school, our families, and our friends.
Help us to be kind, caring, and brave each day.
Guide us as we learn, play, and grow together.
May we always show respect and help those around us. Amen.

A huge well done to Class 6 for completing their SATs this week. You have shown maturity, resilience, and positivity throughout the week. As the weather warms please ensure all school jumpers are named. There are many unclaimed jumpers sitting the school office please encourage your child to check they leave school with all of their belongings. Children should always bring a named water bottle to school each day to remain hydrated.

LOVE

Class 5 sent Sir David Attenborough a message for his 100th birthday. We all think he's an inspiration and we love how he has taught everyone so much about the beautiful world we live in. Thank you for everything you have done to help people care for our planet. #lovestc

'God is love. Whoever lives in love lives in God, and God in them.' John 4:16

Jesus has the brightest love of all: God is love. Jesus is God with us. He is God in human form. He is the very definition of love. He has the brightest love ever!

Love brings light: Love is the flame of the candle, making the world brighter. The more we love God and love one another, the brighter we shine.

Love is our purpose: To shine bright with light is the purpose of a candle. To shine bright with love is our purpose as people - as Jesus shows us.

STC Rights Respecting School

The United Nations Convention on the Rights of the Child is an important agreement by countries who have promised to protect children's rights.

It explains who children are, all their rights, and the responsibilities of governments.

All the rights are connected. They are all equally important and they cannot be taken away from children

12 I have the right to be listened to, and taken seriously

When adults are making decisions that affect me, I have a right to say what I think and be listened to.

I have a right for my views to help inform decisions about what happens to me, at home, in school, in my community and in my country.

Adults should support me so that I can give my views in a way that is best for me to do so.

The ABCDE of rights:

- A: Rights are for ALL children (Universal)
- B: Rights are there at BIRTH (inherent)
- C: Rights CANNOT be taken away (inalienable)
- D: Rights DO NOT have to be earned (unconditional)
- E: All rights are EQUALLY important (indivisible)

If you're interested in getting involved, please contact Miss East or Miss Scott, our RRSA lead teachers.

- School tie (plain red- elasticated or standard)
- White buttoned shirt (short or long sleeved)
- Black trousers, skirt, or pinafore dress
- Black socks or tights

Be proud and smart

- Hair decoration should be kept to a minimum with simple hair bands only, in natural hair colours.

Pupils are not allowed phones in the school, if pupils need access to a phone after school, they must be given into the office on arrival for safekeeping.
- No nail varnish should be worn.
- Longer hair should be tied back.

Second-hand uniform

- We encourage families to donate good quality school uniform for others to the school office. By donating uniform you are helping keep good clothing out of landfill and recycling uniform to children who need it.
- Please ask us if you need support with obtaining school uniform
- Herefordshire Free School Uniform has a [website listing current stock](#) available for collection.

Attendance

At St Thomas Cantilupe CofE Primary, we are committed to ensuring that your child receives the best possible education and support. We strongly believe that regular school attendance is crucial for the educational progress and overall wellbeing of our pupils.

Expectations

As parents/carers, you have a legal duty to ensure that your child attends school regularly.

The Department for Education (DfE) provides clear guidance for parents regarding attendance expectations. Unauthorised absences can negatively impact your child's education.

Term-Time Holidays

We understand that family time is important, but according to Department for Education (DfE) guidelines, term-time holidays are not permitted as they impact your child's education.

Absences due to holidays disrupt learning and result in missed opportunities in the classroom.

Potential Penalty Notices

If the national threshold of 10 unauthorised absences in a 10 week period is met, the school has a duty to notify Herefordshire Council Enforcement Team and you may face a penalty notice and/or other legal action.

Please be aware that unauthorised absences may lead to local authority penalty notices. A penalty notice is issued to each parent for each child. A fixed-penalty notice of £80 may be issued if paid within 21 days, increasing to £160 if paid within 28 days. If you get a second fine in 3 years it will be £160. If you do not pay the fine in 28 days you may be taken to court for keeping your child out of school.

If your child is off school 3 or more times within the 3 years you will not be fined but may be taken to court.

This is in line with DfE guidance and is intended to deter unnecessary absences. Herefordshire Council policy and guidance can be found here: [School attendance and absences information for parents and carers – Herefordshire Council](#)

DHMAT and the University of Worcester launch new local PGCE primary teacher training route based in Hereford

For the first time ever, aspiring primary teachers in Herefordshire will be able to complete their teacher training with the University of Worcester without leaving the county.

It's thanks to an expanded partnership between the University and the Diocese of Hereford Multi Academy Trust (DHMAT), which will see all training delivered locally in Herefordshire.

The development expands the county's existing Regional Training Hub, where trainees split their time between local schools and the University's Worcester campus.

The upgraded Regional Training Hub Plus model means that all academic study and practical training for the primary PGCE will now take place within Herefordshire schools.

Andrew Teale, CEO of Diocese of Hereford Multi Academy Trust, said: "This is a significant and hugely positive development for education across the Diocese of Hereford. By delivering the full PGCE programme locally, we are removing barriers and opening doors for talented people within our communities who feel called to teach but previously found the logistics too challenging."

He continued: "Through our partnership with the fabulous University of Worcester, we are investing in local people and growing the next generation of teachers within our own schools. That strengthens not only the schools in our Trust, but the wider family of church and community schools across the Diocese."

Andrew added: "This is about opportunity, community, and ensuring that every child is taught by highly trained, committed professionals who understand and care deeply about the places they serve."

The fully local 36-week Primary PGCE will see trainees placed in DHMAT schools across the county, with academic sessions delivered at the Hereford Church of England Academy.

The University of Worcester, rated Outstanding by Ofsted for its teacher training, will oversee and deliver the programme, providing a high-quality, flexible, and community-based route into the profession.

Andrew Taylor, Senior Lecturer at the University of Worcester, said: "This new fully local training route has been designed for career changers, parents, and anyone who has the potential and passion to teach, but previously felt unable to start training because of travel, family commitments, or the logistics of attending the campus in Worcester."

If you are interested in applying or would like further details please email: rth@dhmat.org.uk

We would love to hear from you.
