SHINE BRIGHT YOUR LIGHT

Exploring Our Vision

Our vision is that we enable every child to 'shine bright their light.' This is a key message from Matthew 5:14-16. It combines the message of, 'You are the light of the world' and 'let your light shine.' We are clear about our mission - lighting up lives so that they may share the light.

Jesus calls us to be like a candle held in God's hands, bringing light to His world. Love represents the flame, unity is represented by the wick and perseverance the wax which together provide the light to follow our vision.

PRAYER

Dear God Please give us the wisdom to explore and discover ourselves. Help us notice and celebrate the good in everyone we meet. Thank You for accepting us exactly as we are. Amen

Dental appointments

A reminder that dental appointments should be made outside of school hours. If you are needing help with making a dental appointment/joining a practice please contact Mrs Higgins in school, who may be able to help.

As the weather changes, we remind you that children need to bring a named coat to school each day, in addition to their water bottle and reading book.

THIS WEEK

Class 3 enjoyed creating mixed media observational artwork of shells. The knowledge and artistic skills on display were impressive. Children observed details, textures and patterns to produce some fantastic pieces of artwork. #ArtSTC #perseveranceSTC

Year 1 & Year 2

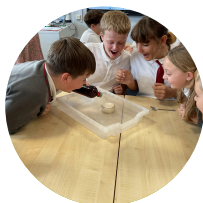

Class 1 and 2 have created some gorgeous artwork inspired by the Christian creation story. #ReligionSTC #PerseveranceSTC They also enjoyed learning all about the artist Paul Klee! They created their own visual notes, capturing key points about his work, alongside examples of his artwork. They were inspired by his use of colour, shapes and lines and enjoyed exploring these features in their own creative way. #artstc

Year 3 & Year 4

Class 3 have been loving the challenge in our science this week - we have thought hard about how to use yes/no questions to identify animals on our branching keys! #perserverancestc #sciencestc

Year 5 & Year 6

Class 5 and 6 spent the afternoon noticing and defining what an irreversible change is. We used bicarbonate of soda and vinegar to watch a chemical reaction occurring and a new substance forming 🧪 #scienceSTC #loveSTC @britsciassoc.bsky.social

Class 3 have been enjoying imagining where our moving animals could live. It was hard to decide on which media to use to create our backgrounds but we're very happy with how they're looking so far! #lovestc #artstc

'I pray...that all of them may be one. Father, just as you are in me and I am in you.' John 17:20-21

Jesus prayed for our unity: Jesus prayed that all His people would be one, just as God is one. He wants us to shine as an example of unity to the world.

One wick = One flame: Unity is like the wick. One wick focusses everything on one flame, making it even brighter. Jesus calls us to be one bright flame.

Unity comes from love, not sameness: The flame around the wick has many shades of colour. We are one not because we are the same, but because, though we are all different, we love one another and love our wonderful diversity.

STC Rights Respecting School

The United Nations Convention on the Rights of the Child is an important agreement by countries who have promised to protect children's rights.

It explains who children are, all their rights, and the responsibilities of governments.

All the rights are connected. They are all equally important and they cannot be taken away from children

- The ABCDE of rights:
- A: Rights are for ALL children (Universal)
 - B: Rights are there at BIRTH (inherent)
 - C: Rights CANNOT be taken away (inalienable)
 - D: Rights DO NOT have to be earned (unconditional)
 - E: All rights are EQUALLY important (indivisible)

If you're interested in getting involved, please contact Miss Scott, our RRSA lead teacher.

Attendance

At St Thomas Cantilupe CoFE Primary, we are committed to ensuring that your child receives the best possible education and support. We strongly believe that regular school attendance is crucial for the educational progress and overall wellbeing of our pupils.

Expectations

As parents/carers, you have a legal duty to ensure that your child attends school regularly.

The Department for Education (DfE) provides clear guidance for parents regarding attendance expectations. Unauthorised absences can negatively impact your child's education.

Term-Time Holidays

We understand that family time is important, but according to Department for Education (DfE) guidelines, term-time holidays are not permitted as they impact your child's education.

Absences due to holidays disrupt learning and result in missed opportunities in the classroom.

Potential Penalty Notices

If the national threshold of 10 unauthorised absences in a 10 week period is met, the school has a duty to notify Herefordshire Council Enforcement Team and you may face a penalty notice and/or other legal action.

Please be aware that unauthorised absences may lead to local authority penalty notices. A penalty notice is issued to each parent for each child. A fixed-penalty notice of £80 may be issued if paid within 21 days, increasing to £160 if paid within 28 days. If you get a second fine in 3 years it will be £160. If you do not pay the fine in 28 days you may be taken to court for keeping your child out of school.

If your child is off school 3 or more times within the 3 years you will not be fined but may be taken to court.

This is in line with DfE guidance and is intended to deter unnecessary absences. Herefordshire Council policy and guidance can be found here: [School attendance and absences information for parents and carers – Herefordshire Council](#)

KEEPING CHILDREN SAFE ONLINE

WhatsApp group chats: what parents need to know

Group chats can be a fun way for young people to stay in touch, but they can also be used by others to groom, exploit or harm children. It's important to know the risks and how you can help keep them safe.

WHY GROUP CHATS CAN BE RISKY

Children may be added to groups by people they do not know.

Grooming can start with friendship, attention, gifts, games or status.

Children can be pressured to share photos, personal information or their location.

Sexual images can be requested, shared or used to threaten or blackmail a child.

Criminal exploitation can involve secrecy, money, gifts, drugs, violence or pressure to meet others.

Screenshots, forwarding and disappearing messages can make harmful content difficult to control.

TALK TO YOUR CHILD

Ask who is in their groups. Help them think about who they really know online.

Check privacy settings together (e.g. who can add them to groups, who can see their profile and posts).

Encourage them to tell you if someone makes them uncomfortable.

Reassure them: they will not be in trouble for asking for help.

Have open and regular conversations

WARNING SIGNS

Suddenly secretive about their phone.

New online friends or contacts they cannot explain.

Receiving gifts, money or new phones/clothes.

Becoming withdrawn, anxious or upset after being online.

Missing school or going missing.

Talking about meeting people they know online.

Sexualised messages/images or pressure to send pictures.

WHAT PARENTS CAN DO

Keep accounts private and review group-chat settings (e.g. who can add them).

Encourage children to block and report suspicious accounts.

Save evidence/screenshots if something worrying happens.

Do not confront a suspected exploiter yourself as this could put your child at further risk.

Get advice early — you do not need to be certain that exploitation is happening.

Stay involved. Stay informed. Keep them safe.
