1 March 2024

Dear parents/carers

We are writing to invite you to attend a Year 2 maths workshop with your child which will take place on Thursday 21 March 2024 at 2.00 pm.

This is an opportunity for you to work alongside your child to understand how we teach mathematics at St Thomas Cantilupe school. We will share with you some maths games and a pack of resources which your child will be able to take home.

In order for your child to take part in the workshop an adult from home will need to attend. This can be a parent, grandparent, other relative or close friend. If an adult is unable to attend, your child will not be able to take part in the workshop session as intended. You don't need to have any particular maths knowledge or skills in order to attend. Just come and enjoy playing some games with your child.

Please complete the slip below to let me know who will be attending.

Best wishes

Laura Hackett
Class 2 Teacher
